## President's Message

Dear Chapter Members,

There are many exciting events happening this month. MATHCOUNTS competitions are happening for all of the MSPE chapters this month. The Central Chapter hosted two competitions (Columbia on February 9th and Kirksville on February 2nd). The Kirksville competition was supported by one of the NE Chapter members and will soon be taken over by their chapter for next year. We wish them the best of luck as they continue to grow as a new chapter. The state competition will be held on March 1st in Rolla.

Also, Engineers Day will be celebrated at the Columbia Rotary Club on February 21st, to commemorate Engineers Week. See the article in this newsletter for more details.

Best Regards,  
David Wilkinson, EIT  
Central Chapter President

As always, the Secretary/Treasurer position will open at the end of the current term. Any interested candidates should contact Chapter President David Wilkinson.

## APWA President Is Featured Speaker at Columbia Engineers Week Event

Columbia Rotary Club has arranged a program on February 21, 2008 which will accent NSPE's Nation Engineers Week. The Speaker will be Mr. Larry W. Frevert, P.E., President of the American Public Works Association. Mr. Frevert is associated with the Kansas City Office of HDR. Columbia area engineer Rotarians are invited to attend the meeting from noon to 1 pm in Dulany Hall at Columbia College on February 21. APWA and MSPE leaders will also be invited as space may permit. Bud Moulder, P.E., Past President of MSPE has arranged the program.
