

Ozark Chapter - Summer 2010 Newsletter

<http://www.mspe.org/index.html>

<http://www.ozarkelectric.com/MSPE/>

Please continue to send your news to Dianne Slattery at DianneSlattery@MissouriState.edu throughout the summer months. We will return with a newsletter issue in late July, just in time for the Shrimp Feed!

June Chapter Meeting

When: Thursday, June 3, 2010

Where: Springfield Brewing Company, 12:00 – 1:00 p.m.

Program: Warren Brooks - City Utilities Engineer

"Getting the 'Green' Light: A Look at LEDs and their Applications"

Warren Brooks is an engineer in the Electric Transmission and Distribution Engineering department of City Utilities of Springfield. His primary job functions include managing electric relocations (as required by various municipal improvement projects) and roadway lighting design. He currently manages CU's testing of various LED street lighting products and is the chair of the Lighting Standards and Development Committee.

Will Fors of Nixa H.S. ("Hydrogen and Oxygen Induction on an Internal Combustion Engine") and **Richard Conyers** of Strafford H.S. ("The Effects of Bridge Type") were the recipients of the MSPE Special Award at the 2010 Ozark Science and Engineering Fair held April 6-8 at the Hammons Students Center on the MSU campus. MSPE Ozark Chapter members Tony Gott, P.E. and Brandon Parrish, P.E. were the judges. Each student was awarded \$100 for his winning project. Congratulations, Will and Richard!

Next Chapter Meeting

July 1, 12:00 noon
Springfield Brewing Co.
