Professional Engineer Refresher Course

Presented By

ST. CHARLES COMMUNITY COLLEGE

Professional Engineer Refresher Course

These review courses are geared toward helping participants pass the Professional Engineer (P.E.) license exam. Spring classes will be held in the fields of Civil, Mechanical, and Electrical engineering.

Course fee includes a three-ring binder, lecture notes, certificate of completion, and CEU's.

Participants should purchase course reference materials **prior** to the first class. Discounted reference material can be obtained by going to the following website:

http://ppi2pass.com/ppi/PPIShop_psp_SX330
