About the Speaker and Program

Bradley F. Aldrich, P.E., Fellow NSPE President 2008-2009 National Society of Professional Engineers

Bradley F. Aldrich, P.E., F.NSPE from Montpelier, Vermont is the 2008-09 President of the National Society of Professional Engineers (NSPE).

Mr. Aldrich is a founding partner and Vice President of the consulting engineering firm Forcier Aldrich & Associates, Inc. (FA&A) in Essex Junction, Vermont. Specializing in water, wastewater and storm water engineering for municipal clients, FA&A has grown to twenty-four employees and is recognized as a premier water resource engineering firm in Vermont.

Mr. Aldrich has been a member of the National Society of Professional Engineers (NSPE) and the Vermont Society of Professional Engineers (VSPE) since 1992. His leadership roles with NSPE include Northeast Region Vice

“The mission of MSPE is to promote the ethical and competent practice of engineering.”

Western Chapter Missouri Society of Professional Engineers

President, Board of Directors, and Senior Vice President, Executive Committee. He has chaired the Society's Implementation Task Force and Political Action Committee and has been a member of the Budget Committee, Membership Committee, Nominating Committee, Future Directions Task Force and Constitution and Bylaws Task Force. In 2004 he was elevated to the grade of NSPE Fellow member in recognition of his many contributions to the Society and the engineering profession.

For the Vermont Society of Professional Engineers he has served as president, national director, and secretary/treasurer.

In addition to his membership in NSPE and VSPE, Mr. Aldrich is a founding member of the Vermont Engineering Council, and a member of the American Society of Civil Engineers. In 1996 he was inducted into the Order of the Engineer.

Mr. Aldrich graduated from the University of Vermont with a Bachelors Degree in Civil Engineering and is currently licensed as a professional engineer in Vermont, New Hampshire, Maine, Massachusetts and Pennsylvania. His many honors and awards include:

- VSPE Young Engineer of the Year
- University of Vermont Student Engineer of the Year
- Member, Tau Beta Pi National Honor Society
- Member, Chi Epsilon National Honor Society

In his community, Mr. Aldrich was appointed by the Governor of Vermont to serve on the Board of the Vermont Hydro-Electric Power Authority where he was elected chair. He currently serves on the Vermont Nuclear Advisory Panel, as a Governor's appointee. He has also served on the Chamber of Commerce, the Montpelier School Board and the Montpelier Planning Commission. Mr. Aldrich has coached both boys and girls soccer, softball and baseball for the Montpelier Recreation Department.

Mr. Aldrich and his wife Mary reside in Montpelier and have a son and daughter.

“The mission of MSPE is to promote the ethical and competent practice of engineering.”
