## President's Message

Dear Chapter Members,

This month's meeting highlights a topic that has been of concern for the past several months, Bridge Inspection. Ed Moody, P.E. of Missouri Dept. of Transportation will speak about the current methods which MoDOT applies when inspecting bridges and the current status of Missouri's bridges overall. This plans to be a very enlightening meeting and hope that you all can participate.

In other news, former Chapter President Bart Korman will be awarded his Professional Engineer license at the PE Certificate Presentation Ceremony on October 19 at the Capital Building in Jefferson City. Please congratulate him and any other new PE's you know who have achieved this honor.

Sincerely,  
David Wilkinson, EIT  
Central Chapter President
