

**OFFICERS PRESENT:**

David Wilkinson, President  
Shannon Howe, Vice President  
Rick Kaufmann, Secretary/Treasurer  
David Mink, Past President  
Jamie Klein, Membership Committee  
(In addition to numerous members & guests)

- 1. Welcome** – Wilkinson called the meeting to order
- 2. Old Business** – None
- 3. New Business**
  - a. Wilkinson - Chad Ferguson stepped down as President Elect. Shannon Howe to move up to President Elect. Vice President position now vacant. Contact Wilkinson with nominations for VP.
  - b. Ben Ross, MSPE State VP, presented Bud Moulder with a pin and a certificate in honor of his achieving Fellow Member status from National NSPE. Bud thanked those who nominated him, it was a difficult process and he is honored to accept.
  - c. Bruce Wylie, MSPE Executive Director, talked about that day's state MSPE Chapter Leadership Workshop
    - i. New young leadership is encouraging.
    - ii. State will continue to push MSPE to students, and the importance of licensure.
    - iii. PE ceremony at the Capitol is Oct. 19.
    - iv. New QBS legislation: the law was tweaked - local governments, previously given an exemption, must now use QBS for professional engineering services. (20 years ago Bud Moulder and his colleagues were working for the original QBS legislation.)
  - d. Ben Ross shared an article from the Columbia Tribune which mentioned Centerstate TDD (Bass Pro development) and QBS. Ben checked and discovered the newspaper was in error, and a retraction will be printed (a letter from Bruce Wylie).
  - e. Kaufmann – If anyone has any items for the newsletter contact him.
- 4. Dinner and Presentation** – Eric Long, Cargill Meat Solutions “Reliability Based Maintenance”
- 5. Additional Business**
  - a. Wilkinson – Thanked our presenter, asked for ideas for future meetings.
  - b. Mink- asking MoDOT to speak about bridge inspection program as a future meeting presentation. Is a lunch meeting acceptable? General consensus, Yes. Bud Moulder mentioned Jacobs Civil, who worked on the seismic retrofit for bridges in St. Louis. Eric Lidholm mentioned Tom Sauk Dam project.
- 6. Adjourn**
